

EmPOWER MY HOME

Upgrade to an all-electric home— for little to no cost

PG&E's EmPower My Home program helps households enjoy a more comfortable, energy-efficient home by switching from natural gas appliances to modern electric alternatives at a **reduced or no cost**.

Get started at Empower-MyHome.com

How can I participate?

There are two ways you can participate.

1. Complete a quick and easy online home energy survey at Empower-MyHome.com
2. Schedule a time with a qualified contractor for an in-person energy assessment by calling **341-223-8444** or emailing info@empower-myhome.com

After your energy assessment, you will receive a personalized **Project Plan** that outlines the home improvements and associated costs, if any.

Questions?

Call **341-223-8444** or email info@empower-myhome.com.

What will it cost?

FREE upgrades

You may qualify for **free home upgrades** if you:

- Live in the pilot area
- Meet the following income guidelines:

# of persons in household	Total gross annual household income*
1	\$39,125 or less
2	\$52,875 or less
3	\$66,625 or less
4	\$80,375 or less
5	\$94,125 or less
6	\$107,875 or less
7	\$121,625 or less
8	\$135,375 or less
Each additional person, add	\$13,750

*Before taxes based on current income sources.

Reduced-cost home upgrades

You may qualify for **reduced-cost home upgrades** if you:

- Live in the pilot area
- Meet the following income guidelines:

# of persons in household	Total gross annual household income*
1	\$62,600 or less
2	\$84,600 or less
3	\$106,600 or less
4	\$128,600 or less
5	\$150,600 or less
6	\$172,600 or less
7	\$194,600 or less
8	\$216,600 or less
Each additional person, add	\$22,000

*Before taxes based on current income sources.

For reduced-cost home upgrades, PG&E will cover:

- **Up to 50%** of costs for cooking or clothes-drying appliances
- **Up to 80%** of costs for space and water heating appliances
- **Up to 90%** of costs for whole-home electrification, which includes:
 - Cooking appliances
 - Clothes drying appliances
 - Space heating
 - Water heating
